W.P. No. 952/01 (MS)
(Old No. 10247/75)

Hon'ble Rajesh Tandon, J.

On the application filed by the respondents for recalling the order dated 31.08.2005 restoring the writ petition on the ground that their interest is involved in the matter.

The office report also shows that on 14th September, 2005 notices were issued to the petitioners, but none appeared for the petitioner and as such the writ petition is dismissed for non-prosecution.

I have perused the writ petition as well as the order passed by the courts below. The Deputy Director of Consolidation has rejected the revisions and the matter is concluded by findings of fact. No interference is required under Article 226/227 of the Constitution of India.

The interim order, if any, is also vacated.

Respondents have stated that they are in possession, the petitioners are not in possession and therefore he has filed the restoration application. However, if the respondents are in possession, they may protect their rights in appropriate proceedings in accordance with law.
